### Queens Park Celebrates World Africa Day

Toronto, ON – May 20, 2015 – With Liberia officially declared as Ebola-free just a few weeks ago by the World Health Organization, this year's World Africa Day holds special meaning.

Last year, under the direction of Premier Kathleen Wynne, the government of Ontario spent \$3 million to support the fight against Ebola. On May 25 at 11:00 a.m. Queens Park will celebrate World Africa Day with a flag raising ceremony. Members of the Legislature will be joined by a number of dignitaries from Africa to recognize this important day.

"We are very appreciative for the support of the Ontario government as we continue to make a positive impact in the lives of Africans here and abroad," states Macaulay Kalu, Chairman for the AU Canadian Chapter the African Union Sixth Region Canada.
